Dear Colleagues,

It is a great pleasure to invite you to the International Summit on Atherothrombosis, to be held on July 13-15 2017 at the University Campus of the "G. d'Annunzio" University in Chieti, Italy. This meeting will provide an in-depth update on some of the hottest topics in atherothrombosis, the main cause of ischemic heart disease, including myocardial infarction and sudden death. The meeting is organized around 19 scientific lectures followed by adequate discussion, over two and a half days. Topics will cover basic understanding of the pathophysiological substrate – atherosclerosis and thrombosis; a session with translational insight – coupled with the understanding of new therapeutic targets; and a clinically-oriented session, with focus on recent advances and new developments. This will be possible through an outstanding international Faculty that will gather world experts in the field.

We are confident that the 2017 International Summit will be an extremely productive meeting, able to provide you with a unique opportunity to improve your understanding of this complex and rapidly evolving area of Medicine.

We look forward to welcoming you in Chieti next July.

Raffaele De Caterina and **Carlo Patrono**
Congress Chairpersons

EBAC CREDITS

The Congress is accredited by the European Board for Accreditation in Cardiology (EBAC).

Each participant should claim only those hours of credit that have actually been spent in the educational activity. EBAC works according to the quality standards of the European Accreditation Council for Continuing Medical Education (EACCME), which is an institution of the European Union of Medical Specialists (UEMS).

E.C.M. - EDUCAZIONE CONTINUA IN MEDICINA - (for Italian Physicians only)

Il Convegno è stato inserito da Aristeia Education s.r.l., provider accreditato dalla Commissione Nazionale per Formazione Continua con il numero di accreditamento 500-195462, nel proprio piano formativo 2017 nell'ambito del programma nazionale E.C.M. (Educazione Continua in Medicina).

Il Convegno è destinato alle seguenti figure professionali: **Medici** (*angiologia, cardiologia, medicina generale, ematologia, endocrinologia, geriatria, malattie metaboliche e diabetologia, medicina e chirurgia di accettazione e di urgenza, medicina fisica e riabilitazione, medicina interna, nefrologia, cardiocirurgia, ginecologia e ostetricia, farmacologia e tossicologia clinica*), **Infermieri, Tecnico della fisiopatologia cardiocircolatoria e perfusione cardiovascolare.**

L'obiettivo formativo del congresso è "**Linee Guida - Protocolli - Procedure**".

La partecipazione alle giornate del 14 e del 15 Luglio darà diritto a **10,5 crediti formativi.**

L'attestazione dei crediti è subordinata alla partecipazione effettiva all'intero programma formativo, nella misura del 100%, ed alla verifica dell'apprendimento.

L'attestazione, riportante il numero di crediti assegnati, viene predisposta - dopo avere effettuato le verifiche di cui al paragrafo precedente - non prima di 60 giorni dalla data di chiusura dell'evento formativo e sarà quindi disponibile online sul sito web www.aristeiaeducation.it dove sono disponibili ulteriori informazioni sul Programma Nazionale E.C.M.
