INTERNATIONAL SYMPOSIUM ON:

MODERN MANAGEMENT OF CARDIOVASCULAR DISEASE

Organized by

Brazilian Society of Cardiology (SBC), Brazil
Sao Paulo Society of Cardiology (SOCESP), Brazil
St. George Hospital, London, United Kingdom

MAV18th-20th, 2017 - SÃO PAULO, BRAZIL
- Grand Hyatt Sao Paulo -

This May, 18th, 19th and 20th we will have in São Paulo the “International Symposium on Modern Management of Cardiovascular Disease” organized in association with the Brazilian Society of Cardiology (SBC) and the São Paulo Society of Cardiology (SOCESP).

It is an honor for us to be the chairmen of this event. This will be a great opportunity to share and update with our guests the ultimate novelties regarding modern management of cardiovascular disease. It is important to enhance the presence of outstanding speakers from different countries who will share their knowhow and expertise in the field of heart disease treatment. We will have three days of intensive lectures, roundtables with a main focus on ischaemic heart disease and comorbidities as hypertension and diabetes.

Besides this excellent scientific program our event will provide a pleasant social atmosphere which will allow approach and interaction among all participants.

We would like to express our gratitude to Fondazione Internazionale Menarini for the unrestricted support to this meeting as well as for this fantastic opportunity.

We wish you all a great event.

Cordially yours,

Celso Amodeo
